

# metro **media** **MINISTERS' ASSOCIATION** Conference - Nashville, Tennessee - July 20-23, 2010

## **Who We Are:**

The Metro Media Minister's Association is a group of Southern Baptist Minister's who are involved full time in their respective churches utilizing media (television, radio, print, internet, tape ministry, etc.) The spectrum of our membership ranges from the lone one-man operation on one end to the national and international broadcaster on the other end.

We meet twice annually for encouragement, inspiration, guidance and support with our peers from across the United States. Our winter planning meeting coincides with those attending the National Religious Broadcaster's Convention each year. The summer Metro Media Minister's Conference by contrast spans a period of several days. This annual conference always proves to be an amazing time of fellowship and renewal!

## **2010 Conference:**

Our next conference will be held at the Embassy Suites Nashville – South/Cool Springs in Franklin, Tennessee, July 20 – 23, 2010. Our 2010 Host is Steve Smith, Communications Minister at Brentwood Baptist Church in Brentwood, TN. We are expecting close to 50 ministers along with their spouses.

## **Your Opportunity:**

We would like to give you and your company an opportunity to be recognized as a supporter of our efforts as an official sponsor for this year's conference. Your financial support will not only allow us to plan a more successful and rewarding conference but further the media field particularly as it relates to ministry.
